Museum

Information on tours.

Private tours of the Museum can be arranged and are usually organised for the times when the Museum is closed to the general public. We can accept groups of up to no more than fifteen people at one time. Any children, as part of a group, would have to be accompanied by a responsible adult.

We offer two types of guided tours at the museum and both are charged for:

- Introductory talk plus tour of the building £35
- Introductory talk, plus demonstration and tour of the building £75

Talks can be customised to suit your interests but will generally be a mix of social and industrial history showing the development of the weaving industry within the town.

Demonstrations are usually about weaving, spinning and the process of 'fleece to flannel'. Tours can be offered in English or Welsh.

We can also offer a talk at your venue. As with a tour it can be customised to your requirements. Cost £35 plus modest travel costs

Please note that there is no lift in this 1830s building. Those attending will benefit most if they are able to walk upstairs. In some areas (loom floors) there are also uneven floors. Some information is available on the ground floor.

If you would like to arrange a tour please contact the secretary – secretary@newtowntextilemuseum.co.uk who will then arrange the tour guide and confirm the date and time back to you. If you have particular interest, please include this when you make contact.

Parking

- There are no parking restrictions in the evening, but limited spaces in the adjoining streets.
- Daytime parking limited to 1hr. Ample parking in the main town car park just a short walk across the Long bridge.

Refreshments are not available in the Museum itself. Cafes and pubs nearby in town centre.
